Introduction: Welcome to the Barbados Retired Registered Nurses etc.

In times like these Paul's challenge to believers is very important: Violence erupting any and everywhere, sympathy and support necessary. He reminds us that in the midst of sin and distress Christians must claim their freedom and live in the power of the Holy Spirit. We are called to step up to the truth of the Gospel and prove that this message of salvation is freeing and life changing. We are challenged to do what is right now!

Doing what is right now entails:

1. Sharing the Good News that there is power in God's name: Messages from the Word the Old Testament

- a. 2 Kings 5:2 Now the Arameans on one of their raids had taken a young girl captive from the land of Israel, and she served Naaman's wife. 3 She said to her mistress, "If only my lord were with the prophet who is in Samaria! He would cure him of his skin disease."
- b. The Psalmist testimony of being restored to good health.  
Psalm 30:11 You have turned my mourning into dancing; you have taken off my sackcloth and clothed me with joy, 12 so that my soul may praise you and not be silent. O LORD my God, I will give thanks to you forever.
- c. The New Testament's command to Go – the 72 sent. Luke 10
- d. Gal. 6:2 Bear one another's burdens, and in this way you will fulfill the law of Christ.

2. Where do we as Christians fit in, in these hostile and uncertain times? Trust God, get involved and believe in God's love that Jesus Saves.

- a. Luke 10:17 The seventy-two returned with joy, saying, "Lord, in your name even the demons submit to us!" 18 He said to them, "I watched Satan fall from heaven like a flash of lightning. 19 Indeed, I have given you authority to tread

on snakes and scorpions and over all the power of the enemy, and nothing will hurt you. 20Nevertheless, do not rejoice at this, that the spirits submit to you, but rejoice that your names are written in heaven."

3.Throughout History and even now we are challenged to do what is right now - John Wesley and the saints that have followed up to this time of focused Mission work is still important and even more necessary now.

Conclusion: Beloved now is the time to do what is right, let's get outside and prove that God is real, Salvation is still free, and transformation is still real if we have faith and believe. What do we need? Joy, Love, Peace, Light and Love will continue to keep us.

LET US PRAY IN SILENCE  
PRAYERS OF INTERCESSION  
THE LORD'S PRAYER

CLOSING PRAYERS AND BENEDICTION

May we commit to the promises we make to Christ today and always.

May we walk in boldness, as beloved children of God.

Grant us the power to walk in your peace, to trust that we are under the shelter of your protecting grace O Lord, Most High.

Help us to walk in faith, knowing that you Oh Christ are interceding for us.

Bless us with the assurance of your never-failing love promise to us and our children that keeps us walking in your way.

Guide us through the power of the Holy Spirit that leads us through this journey of life unto eternity. Amen.
